## GENERAL INFORMATION (To Be Filled in By the Requestor and Reviewed with the BRM)

Requested for or on Behalf of:	Department: Loss Prevention	BRM:	Request Date:
Extension: 6801		Extension:	Tracking #

Title: Control Drug IRR update

**Summary Description and Objectives:** DEA expects CVS to prevent suspicious orders from being filled out of our DC's. The current IRR does not provide the proper information to meet the DEA's needs. We need control drugs to be monitored by "active ingredient". Currently the control drugs are monitored by item. The IRR loses all order history when the info on the item changes causing CVS to be non compliant with DEA expectations.

### Type (Choose One):

- Standard Path Action
- FASTpath Action
- Business Support
- Ad-Hoc

Target Start: ASAP

Target Completion: Quarter, Date or Blank

### Business Drivers (Why?)

### Business Impacts

- We can be fined and or penalized by the DEA due to the current environment.

### TANGIBLE:

- DEA compliance

### INTANGIBLE:

- Avoid fines

### Detailed Description of Scope (as applicable)

- Replace these points with the answers to some or all of the following key questions:
- Change IRR to reflect active ingredient instead of item

## ACTION INFORMATION (Fill in only for Standard Path or FASTpath Actions)

BPC Sponsor: Gov Com Sponsor: Part of Another Initiative or Action:

### Strategic Alignment

- Which strategic imperative does this action align with (Customer Easy, Service Culture, Financial Performance) and why?

### Potential Solutions Alternatives

- List potential solution alternatives as appropriate.

### IRR format has been approved by DEA and Counsel

### Assumptions

- List any key assumptions behind this request.
- Are there any dependencies on other Actions? None
- Are there any constraints associated with this Action?
